

INSIDERS UPDATE

BORDER SECURITY WEEK

Cape Town

As part of ACS's ongoing business development and growth strategy, the organisation recently participated in Border Security Week in Cape Town, a leading regional platform dedicated to strengthening border security and management across Africa. The conference brought together government agencies, aviation stakeholders, border management authorities, and industry experts to discuss emerging trends, challenges, and innovative solutions across air, land, and maritime border environments. Through insightful presentations, panel discussions, and networking opportunities, delegates explored advancements in migration management technologies and strategies aimed at enhancing the safety and security of Africa's borders.

AVIADEV

Botswana

ACS participated in AviaDev Africa 2026 in Gaborone, Botswana, the continent's leading aviation route development conference that brings together airlines, airports, tourism authorities, regulators, and industry stakeholders to drive connectivity and growth across Africa. The conference provided a valuable platform for engagement with key aviation decision-makers,

facilitating discussions on route development, airport partnerships, regional connectivity, and emerging opportunities within the African aviation sector.

Mr Aaron Munetsi was awarded the Ato Girma Wake Lifetime Achievement Award for his outstanding contribution to route development in Africa.

WELLNESS DAY

Prioritising Health and Well-being

On 29 May 2026, ACS hosted a Wellness Day dedicated to promoting employee well-being, self-care, and work-life balance. The event provided staff with an opportunity to step away from their daily routines and focus on their physical, mental, and emotional health.

The Wellness Day was a great success, bringing colleagues together in a positive and uplifting environment while reinforcing ACS's commitment to employee wellness. We would like to thank everyone who participated and helped make the event memorable. Here's to continuing our journey towards a healthier, happier, and more balanced workplace.
